

RIVERSIDE

SPORTS THERAPY

At Riverside Sports Therapy our focus and goal has always been to protect and enhance the health of our patients, staff and community. The challenge of dealing with the rapidly evolving Covid-19 pandemic has forced us to be even better. As we follow direction from our governing body the Alberta College and Association of Chiropractors (ACAC), we must inform our patients, staff and community that we have been ordered to close. We will suspend treatments at Riverside Sports Therapy as of March 20, 2020 and stand with our fellow Canadians as we work to stop the transmission of Covid-19.

To our patients, we are not leaving anyone without care as we close our doors. We will have the ability to consider emergency treatment on a case by case basis. If an emergency occurs please do not hesitate to call us at (403) 283-7551 or email us at info@riversidesportstherapy.com. We will be checking messages and email daily. We will update our website as more information becomes available to us.

Thank you to all patients for their tireless effort helping us pre-screen and follow protocol as issued by Alberta Health Services.

Be good to yourselves and be kind to others.

In Health,

The Riverside Sports Therapy Team.
